OCEAN (CARIBBEAN) DISTRIBUTORS, INC.

Ocean (Caribbean) Distributors, Inc., is an SBA 8(a) and WOSB certified company. We distribute, manage, and deliver Medical Supplies & Equipment as well as Personal Protective Equipment (PPE) & toiletries. We began pursuing government contracting during the pandemic because in the 1990's, we were successful in breaking into contract sales with the Army & Air Force Exchange Service (AAFES). Early during the pandemic, there was a demand for hand sanitizer, liquid soaps, and hand creams, etc., which were already a part of our in-house toiletries product line. It was a seamless transition to add the distribution of PPE & medical supplies to our company portfolio which led to our first federal contract as an SBA 8a company with HHS National Institutes of Health.

Our success assures all our customers they can depend on us for excellence in our customer care, logistics, and follow-through.
